Office Policy

Our goal is to provide and maintain a good physician-patient relationship. Letting you know in advance of our office policy allows for a good flow of communication and enables us to achieve our goal. Please read each section carefully. If you have any questions, do not hesitate to ask a member of our staff.

Appointments: We value the time we have set aside to see and treat you, we ask that you arrive to your appointments on time If you are more than 15 min late we may ask you to reschedule. If you are not able to make an appointment, we require a 24-hour notice. **There is a $25 fee for a missed office visit appointment and $50 fee for a missed surgical appointment.** This fee is NOT covered by insurance. An excessive amount of missed appointments could result in being dismissed from our practice.

Insurance: It is your responsibility to keep us updated on your correct insurance information. It is advised that as a patient, you understand your plan benefits, deductibles, co-insurance, co-payment and participating laboratories prior to your visit. *Please verify with your insurance that your particular plan is in network with our office.*

As a courtesy Precision Dermatology will submit your claim to your insurance carrier, you may be responsible for any and all charges not paid for by your insurance. Some policies require that you obtain a referral from your primary care physician prior to your visit with us, if so please make sure that has been takin care of, or ask one of our receptionists for help at the time the appointment is scheduled.

Financial Responsibility: Co-payments are due at the time of service, if you are unable to furnish your co-pay you may be asked to discuss further options. Self-pay patients are expected to pay in full at the time of your visit, Payment plans would have to be approved by our office manager. We accept cash, checks, carecredit, debit, and all major credit cards.

A $25 fee will be charged for any checks returned for insufficient funds, we will accept cash and cards for any future payments from you.

- Return Policy

  We offer multiple products for sale in our office, it is our policy that all skin care products cannot be returned. **Sales are final.** If you have any questions about this please ask to speak to a manager.
- Cosmetic Policy

  Cosmetic procedures are **NOT** covered by insurance, however Precision Dermatology offers free cosmetic consultations to go over any goals you may have with your appearance and how we can help you get there. Although we have most fillers and botox on hand, if we need to order product specifically for you a down payment will be required. Discounts that may be offered to you at the time of your consultation, may not be offered at another a time, if you would like to be locked in at the quoted rate and schedule a separate appointment you will be asked to leave a down payment towards your product.

  *Cosmetic down payments are **NOT** refundable.*

Prescription Refills: Refills can take 24-48 hours for processing, please keep that in mind to avoid an interruption in your medication therapy.

I have read and understand this office policy.
